HOLIDAY HOMEWORK

2024-25

CLASS II

THEME- OUR VIBRANT PLANET

"It seems to me that the natural world is the greatest source of excitement; the greatest source of visual beauty; the greatest source of intellectual interest. It is the greatest source of so much in life that makes life worth living."

-- David Attenborough

Some Pointers to Remember

Earth Day Newspaper

Create an Earth Day newspaper page centred around the importance of Earth Day, promoting environmental awareness and appreciation for our planet.

Materials Needed:

Large sheets of paper, markers, crayons, coloured pencils, magazines and newspapers (for cutting out pictures), scissors, glue, and ruler.

To make your newspaper engaging include the following:

- A main headline story about a recent Earth-related event or a general article about Earth Day.
- A small weather report with environmental facts (e.g., the impact of weather on nature).
- Short article about an Earth-related topic.
- Fun facts about Earth (e.g., interesting animals, unique places).
- Tips for protecting the environment.
- Draw pictures or cut out images from magazines to illustrate the articles, fun facts and tips.
- Create a crossword puzzle or word search using Earth-related vocabulary.

*** To improve your handwriting, write one small paragraph from your coursebook daily in your new practice notebook.**

*** Do page no. 70, 71, 72, 73, 74 and 75 of the assignment folder.**
